	<p>With the Walk and Roll being postponed until late summer and the Pioneer Park fee being waived we will have \$175 to spend on something else. Leah and Shelly will check into prices for the posters that were created by the Reg. 7 RECC on Social Connections, Initiative, Attachment, Resilience and Self-Regulation. Once we have some prices we can decide on if we want to put the \$175 towards the posters or towards books. There was also discussion of having postcard size info. cards that would have info. on it for families on how to get set up with a developmental screening for their child.</p> <p>Shelly – Idaho Stars is finalizing last minute details on the flyer. Will send out as soon as its ready to go. Also, for those participating in the Agency Tables/Info. tables make sure to have an activity for the children and bring table and chairs for your agency. The event will be around the band shell at Pioneer Park Sat. April 13th from 1:00 to 3:00 pm. If raining bring canopy to set up over tables.</p>
<p>New Business:</p> <ul style="list-style-type: none"> • Update from Statewide RECC monthly call • Data and our outreach efforts – bags/books with information handed out - Shelly • Other ideas for collecting data – ex: count brochures prior to event and after to keep numbers of brochures distributed at events - Shelly 	<p>Data and outreach efforts: What kind of data do we want to collect? We could keep track of the number of brochures we handed out. Or the number of events we participated. One way to keep track when at an info. booth can pre-count the brochures then whatever is left over subtract from the count. This is easiest way to have a count especially when busy talking to families during the event. Can use a spreadsheet to track from each event and then give to Sue and ITCC. Idea's on what brochures we want to keep a count on? The RECC brochures and Developmental Milestone brochure?</p> <p>What other brochures would be helpful to keep a count on that have been given out?</p>
